### ADMINISTRATOR'S REPORT June 2006

#### Subarea Health Planning Councils (SACs) Activities

- Hawai'i** Gene Collins, HMSA's Care Connection Disease Management Program, shared that patients with certain diseases are contacted by her program. Members receive information about their disease and how to improve their health. The disease management program strives to support patients and increase their knowledge base. They work to include patients in their care. The members began discussing how they would like to approach the H2P2 update and what types of issues might be included.
- Honolulu** No meeting was held in May
- Kauai** Members attended the Grand Opening of the Samuel Mahelona Veterans Hospital's Emergency Service.
- Tri-Isle** David Sakamoto provided an update on air ambulance. Four emergency CON applications were submitted to SHPDA. An emergency CON was awarded to Air Med Hawaii. The members discussed ideas for the H2P2 update process and how to approach the county analysis. Valerie Yin discussed the rural health efforts of the Department of Health. They are reviewing and pursuing Federal shortage designations. They are looking at financial incentives to promote primary care.
- West Oahu SAC & Windward Oahu SAC**
- No meeting was held in May.
